Senior History

Can you believe, here we are in the year 2016? We are now Seniors and all of our time invested and hard work has finally paid off. We made it!

Freshman year seems like forever ago. We were young and just beginning to experience high school. We started our year like every other freshman class, finding our advisors. We were fortunate our advisors were Ms. Kaczmarczyk and Ms. Burke. These were two of the best and we knew they would help us have an incredible journey through our high school careers. Next we picked our class color which is purple. It was a questionable decision for some of us at first, but it ended up working out for the best in the long run. During Spirit Week we decorated our bleachers for the pep rally. We sang our remix of the song "Feel So Close", to the entire school. This was also our year of, "Our Fearless Leader", Ms. Gardner and the slogan, "We are Turners Falls and we do things right!" The football team beat Greenfield for the second time in a row at the Turkey Day game in Greenfield. The Girls Softball Team ended their season with a Western Mass State Title.

Sophomore year came around and we had a new principal, Mr. Osborn. Much to our dismay this man came up with the "no flavored water" rule. This was our first year of Hallway Wars, a new tradition that has continued to this day. This year's play was Legally Blonde. Our football team won yet another Turkey Day game against Greenfield on our home turf, "3peat" was what everyone chanted. Basketball continued into the playoffs. Even our small swim team made an appearance at the Western Mass Swimming Championships. The baseball team made it to the Western Mass Baseball Championships, but unfortunately came up a little short. Softball, on the other hand, won yet another Western Mass Championship title!

Next came our Junior year. That seems like yesterday. GAP was changed to the end of our day. Several students from our class were accepted into The National Honor Society. Football, again, won their Turkey Day game against Greenfield while everyone chanted "4peat!" The football team also won their league title this year. The swim team made yet another appearance at the Western Mass Swimming Championships. Basketball made it to the Western Mass Championships at the Cage, but came up short. This year's play was Beauty and the Beast. Our class won the class relay at Unity Day.

Then here we are now, in our Senior year. We came into new leadership this year with a new Principal Ms. Leonard and a new Vice Principal, Mr. McGraw. Shortly after Mr. McGraw started his new position he was diagnosed with cancer. Our class, our community came together to support Mr. McGraw as I have never seen before. As I am writing this I am still praying for his recovery as all of us are. "McGraw Strong" has become our slogan this year. Football ended up winning the Turkey Day game yet again this year, for the "5peat." Our Volleyball team made it to the playoffs.

I am writing this in January. I know there will be plenty more memories being made over our last few months here. Our upcoming play is going to be The Little Shop of Horrors and is sure to be a good one! Our final decision was made for our senior class trip. We are going to Camelback and Six Flags Great Adventures in New Jersey. This is going to be a great way to make some of our last senior memories with each other. Our basketball team is having a great year as well as our swim team too. Will there be another title this year for softball with some of its' best players being seniors this year? Will baseball finally break the curse and win their first Western Mass title since 1942? Only time will tell. Only these next few months will tell. Of this I am sure. I am proud to be a part of the 2016 class. As the years pass, we will all remember this closely knit class and our days at Turners Falls High School as some of our brightest moments of our teenage years. Our class may be small but we are strong. We are McGraw Strong.

Junior Class History

Booster Week: This year the class of 2017 really picked it up during booster week by selling caramelized apples and cheering on the TFHS fall sports teams at various events. Not only that, but we also did pretty well in hallways wars with a Snow White themed hallway.

Highlights: This was our first year participating in powderpuff, and even though we didn't win we did a pretty good job for only having two practices.

Junior year was full of memories that we will always remember.

Sophomore History

For the second year in a row, the Sophomores won for "Most Spirit" during Booster week. We won second place for our yellow, video game themed hallway.

The class of 2018 sold "TF" winter hats for an extremely successful fund-raiser. Also, at the Booster day football game we sold donuts, caramel popcorn, pumpkins, and bags of apples.

We have made a small Prom Committee this year, with the hope that more will join.

A great portion of the Sophomore class helped with Skeleton Crew which was very entertaining and truly victorious.

This year, the Class of 2018 worked hard and grew together. We made unforgettable memories.

Freshman History

Starting off the year, no one in our class knew what to expect of our first year in high school. Many of our good friends left to go to other schools. Even though these friends left and not everyone in our small class knows each other very well, we have shown that we can work together. During booster week, our class showed both class and school pride during the various spirit days. Also, in December, we had our first Santa's breakfast fund-raiser, which was handed down to us by the Class of 2015. We are excited to see that fund-raiser grow over the next few years and make an even larger profit from this to go towards future class events. Besides the whole class working as a group, our few class officers and other students have helped out to make our 2015 to 2016 a successful year to start out on the right track in our high school careers. This school year sets us up for a wonderful next few years with memories already being made in the making.

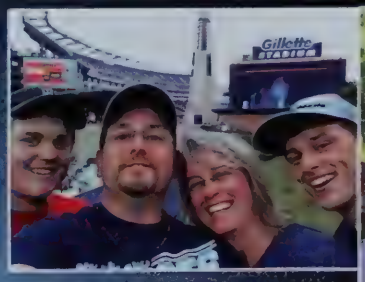
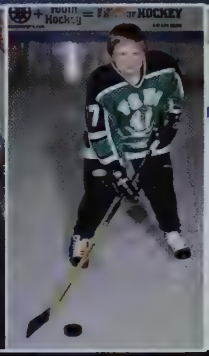
Thank you yearbook staff!
You all have worked so hard to put this yearbook together, and we did it! Together. Hopefully, as the other students look through the memories that are in the yearbook, they will see our hard work and devotion that we put in to make this yearbook the best that we could. This is to another good year.

Ryan Louis Lenois



Ryan,

From the moment you were born you always had a smile on your face!
We hope that you will always continue to smile.
You have grown into a special young man.
We are so proud of your accomplishments.
We know you will do well in whatever your future holds.
Congratulations and Best of Luck.
Love Dad, Mom and Brandon



Seth Leamy

Your Dad would be so proud of you...I know I am. Congratulations, you made it.

Love Mom & Kristen

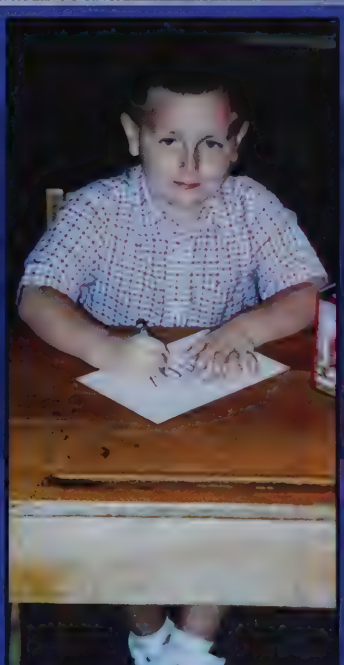
Jenna Putala

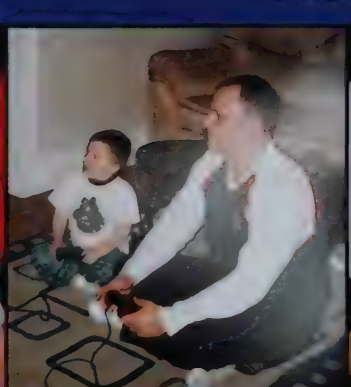
You are our angel!
Our hearts broke and our tears were shed
each time your athletics were taken away.
You stayed strong and focused
on what was important.
Day after day, month after month you excelled
in the classroom and
fought hard to strengthen your knee.
Another Softball State Championship,
Western Mass Softball Player of the Year,
and high academic achievement!
We love you, we believe in you,
and will always be there for you!
Love, Dad, Mom, & Jack

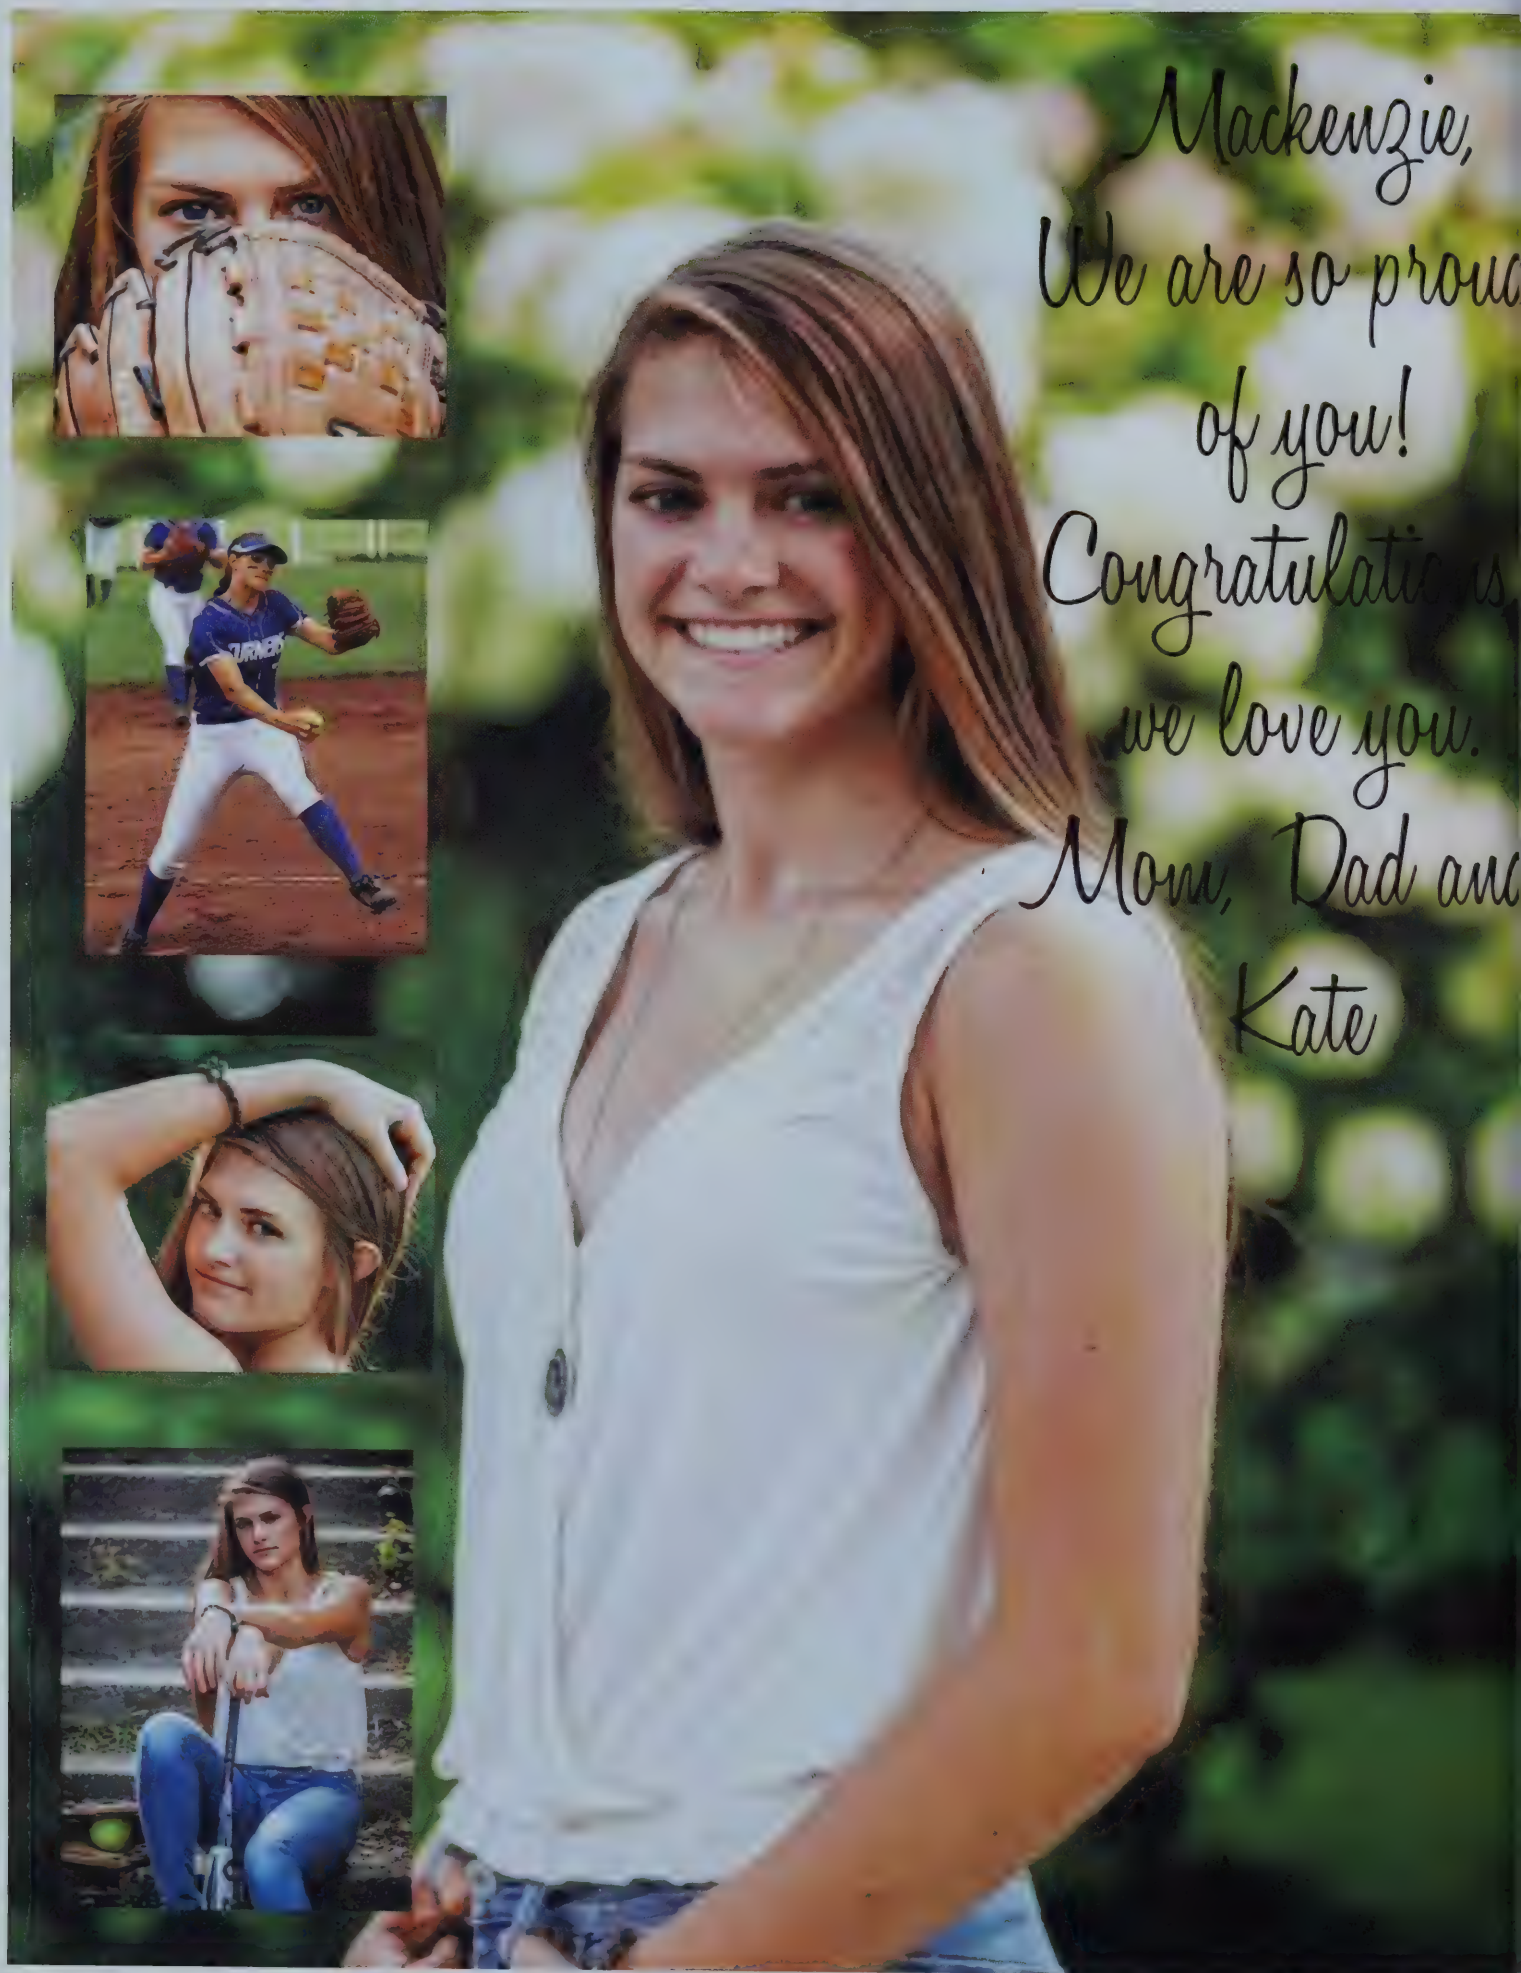
COLBY DOBIAS

You have gone from our little man to our big man in such a short amount of time. From the days of little league and Scooby Doo, to the days of a driver's license and college applications. No parent could be prouder of their son than us. Remember to always be true to yourself and never be afraid of failure to achieve your life of happiness, and know that we're always right here supporting you every step of the way.
With all of our love,
Dad & Shelly

I will always look up to you as the best big brother.
I'm so proud of you. Keep going and don't stop.
I love you, best brother in the universe!
Love,
Morgan







Mackenzie,
We are so proud
of you!
Congratulations,
we love you.
Mom, Dad and
Kate

Maggie Sroka

Words can not express how much we love you and how proud we are of you. You have become a beautiful young woman. Field hockey has taught you patience and anger management along with how to have fun. The musicals have given you confidence and determination to strive for what you want. "Ursula and LeFou" will always be favorites. You learned becoming an adult isn't always easy. Growing up means that not everything worth while comes easily on the first try. Class is gracefully handling things that don't go your way. We look forward to watching your journey through life. We're sure it will not be dull. Love, Mom and Dad

Sydney Upham

Congratulations!
Today is your day.
You' re off to great places!
You're off and away!
You have the brains in your head.
You have feet in your shoes.
You can steer yourself
Any direction you choose.
You're on your own.
And you know what you know.
And YOU are the girl who'll
decide where to go.

Nadia,

From a very young age we knew that you would accomplish great things. You have always been driven to do your best. Whether it was learning to ride a bike without training wheels, getting good grades or playing sports, you never gave up. Continue to follow your dreams, you have a very bright future ahead of you. We are so proud of the beautiful young woman that you have become. We are always here to support you and cheer you on. Congrats "Nads".

We love you,
Mom and Kenny
